Where,

"Roses are Red,
Violets are blue,
Some poems rhyme..."
Well this one doesn't.

Wa! It's been great putting me
to you in English II and listenin'
to you about the chores money!
Don't forget bright and her
wink!

Have a good summer!

Val,
Haven't gym been
fun?!! Too bad we
weren't in some class.
See ya next year.

and I hold up this

Valerie,

Luv Susan Ward '41 - it's the greatest!

VAL,
Thanks for listening
to all my problems, all my
ills, all my weird stories,
all my happy stories.
I don't know what
I'll do without my
sympathetic ear next
year.
Remember how I can't
spell, remember also
about how much money
went thru our fingers
this year and cry when
you go broke. Also
remember how we
complained about how
we couldn't lose weight
while we ate Mrs. R.'s
cookies.
I love,
Wendy March

Valerie,
I know you
are coming back for
the past 7 years. Always
remember me, don't worry
I am not planning to take
Barnett out with me.
Blessings on the little man
and his wife.

Val,
Well, it's really been fun
being in the same PE class
as you & I hope I have you
in some of my classes next
year. Good luck in the future
& loads of good luck on your
exams. Have fun this summer
Ciao (pronounced now)
Debbie

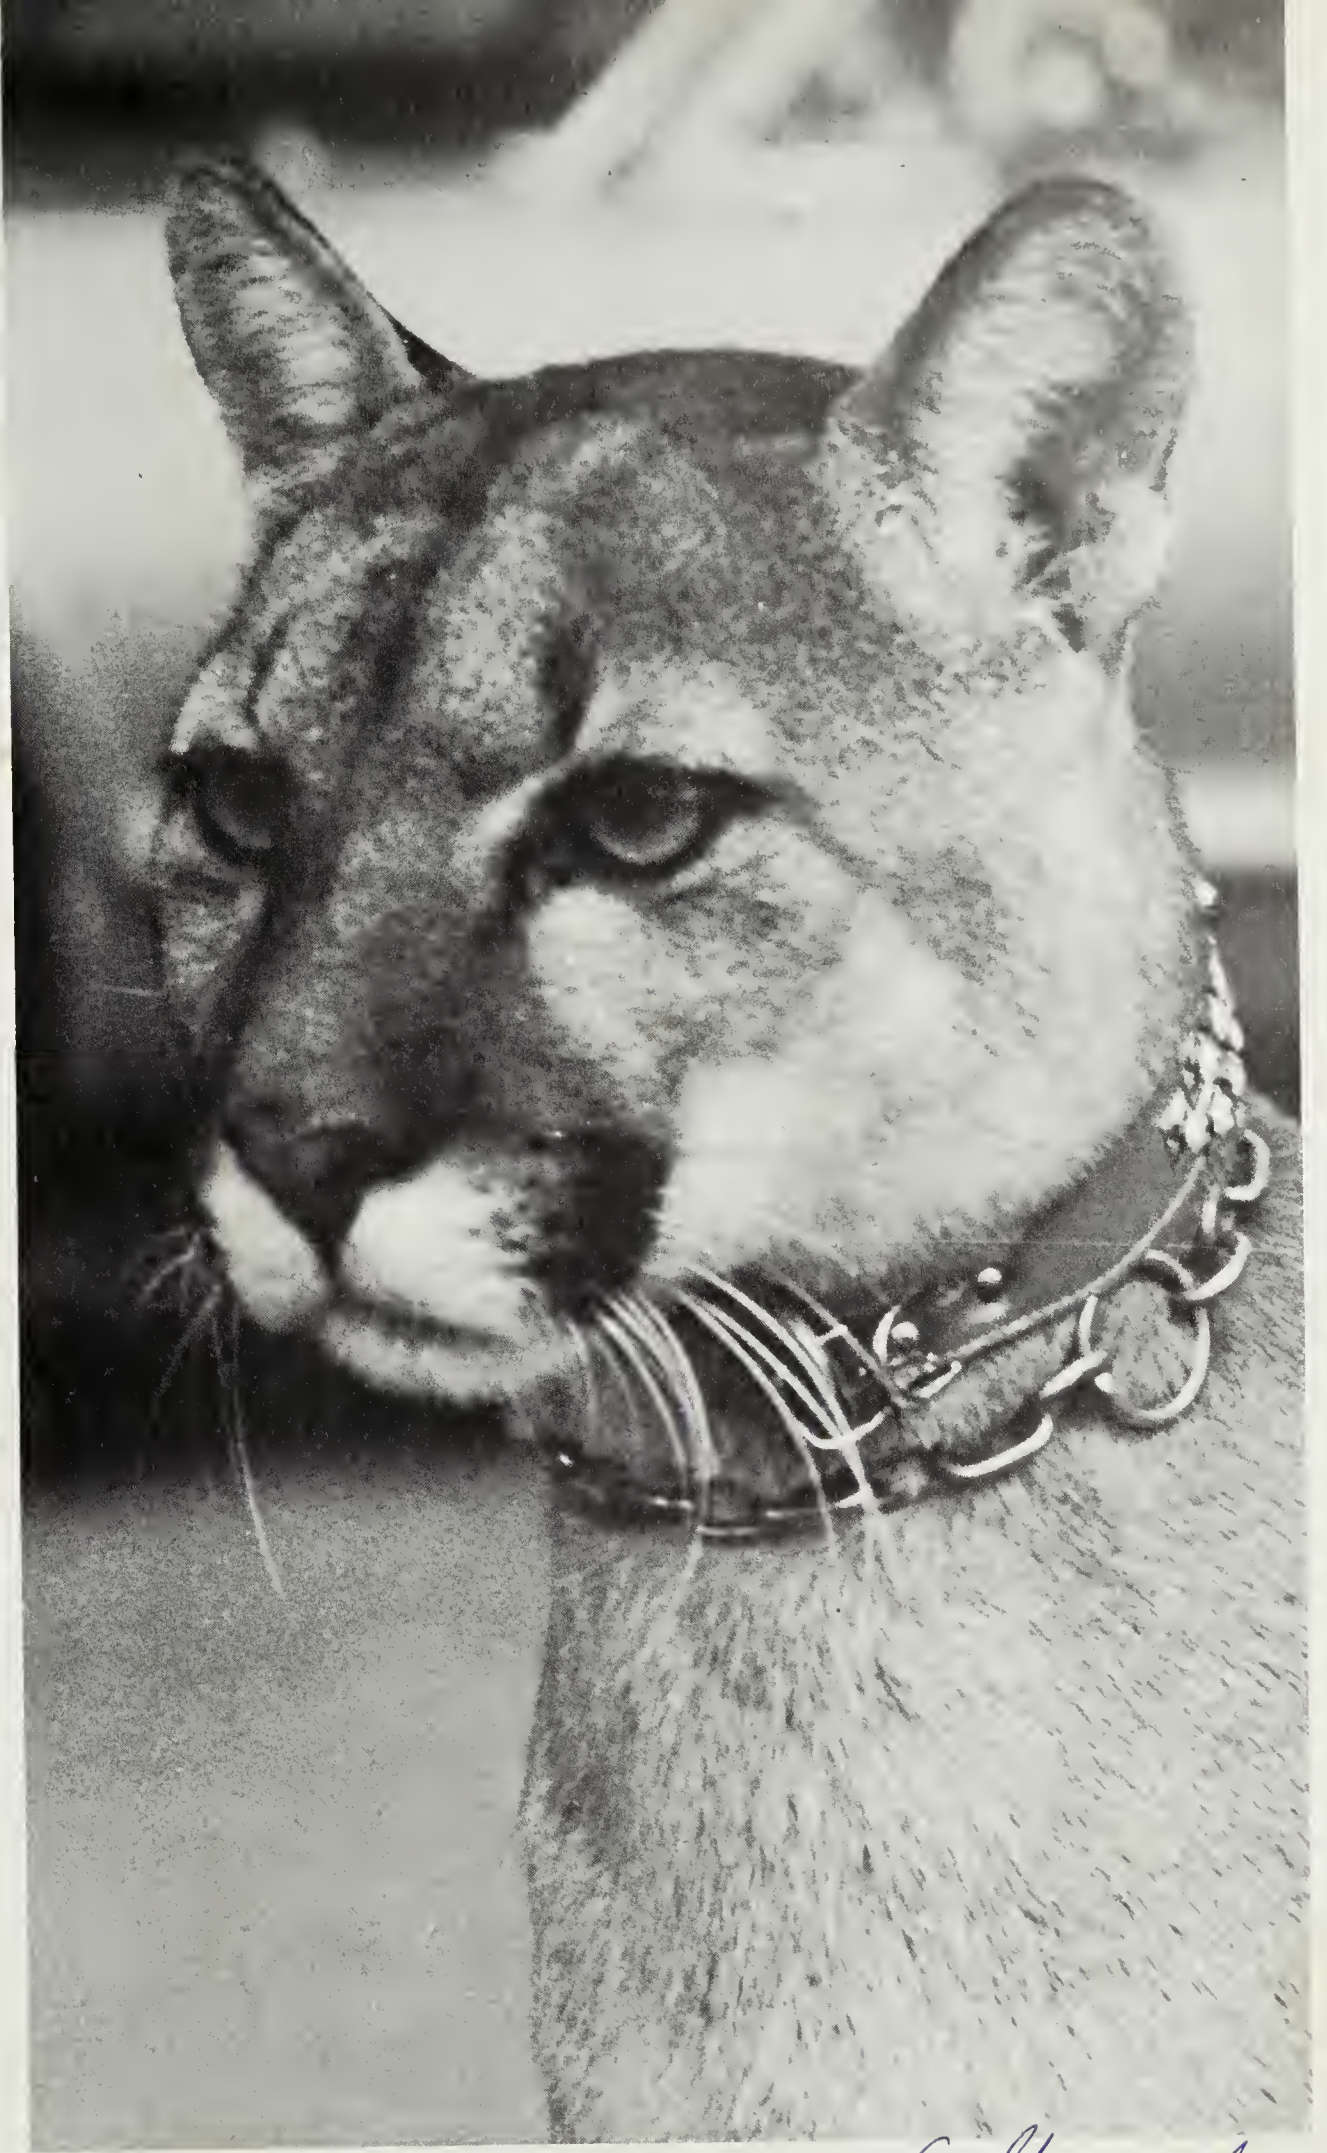

Val,

I finally made it. Well
best of everything.

Good luck,

Sue

Valerie,
I've had
a lot of fun having
you in some of
my classes this year,
I hope I'm just as fortunate,
even though you're not the same
Valerie Sherwood I knew in the
first grade. But now I know two Valerie
Sherwood's isn't that fabulous. Well, I hope
you have a good summer vacation and come
back nice and refreshed in your junior year.
Good Luck Carol

Val
once again the ink
flows and without
a shout uttered. The
force of the silent
pen. Honey the rain
always stops some-
times so keep peace
and love always
your life will better
for the holding of
both.

Jeff

Allen

Come gather round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone
If your time to you is worth savin'
Then you better start swimmin'
Or you'll sink like a stone
For the times are a' changin'!

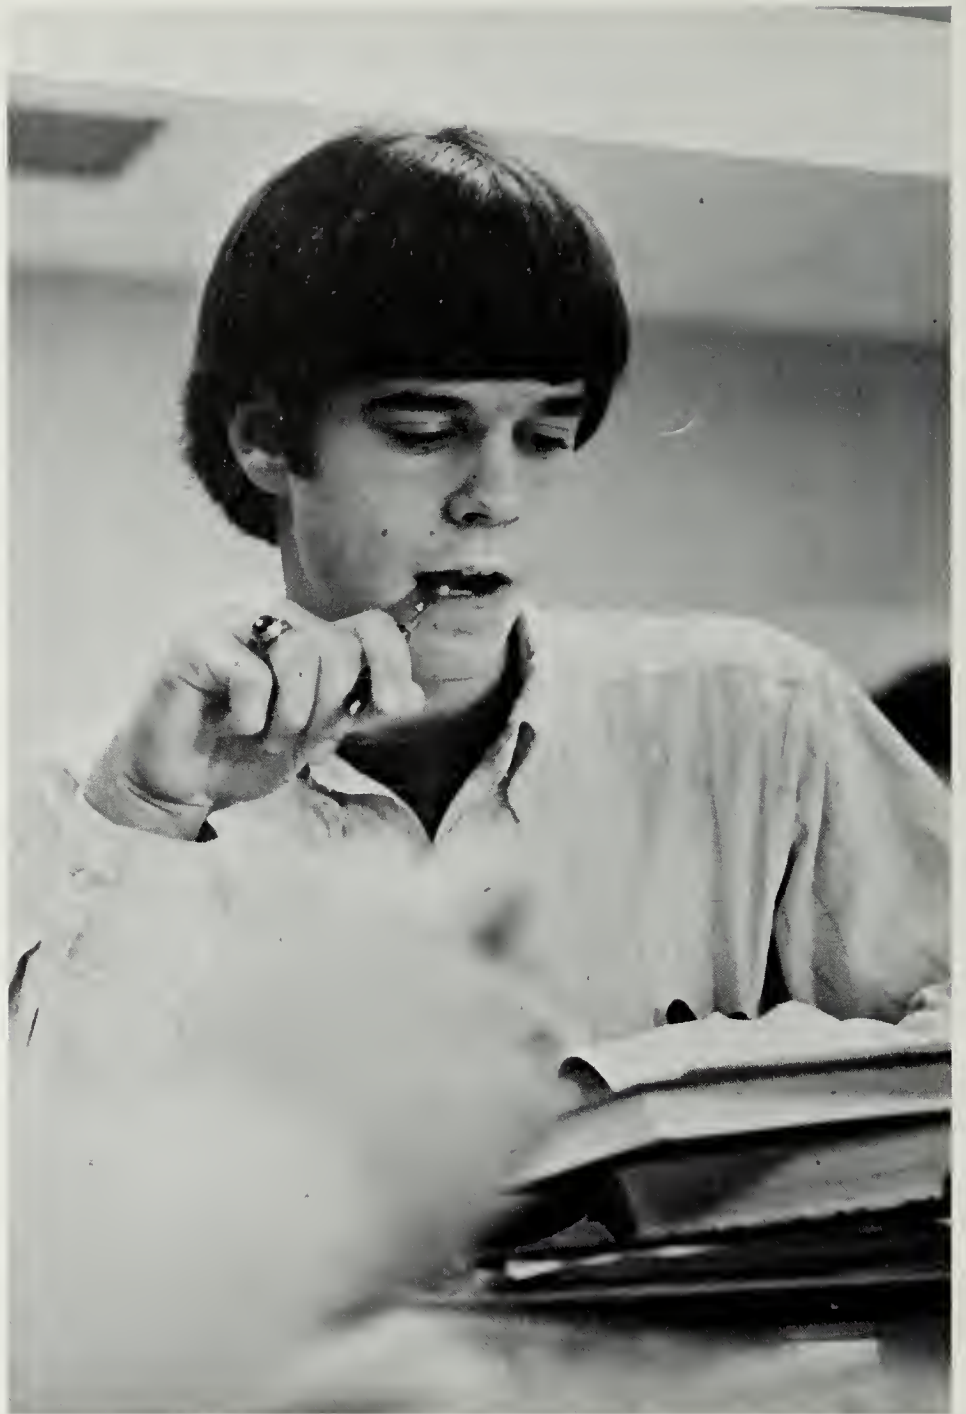

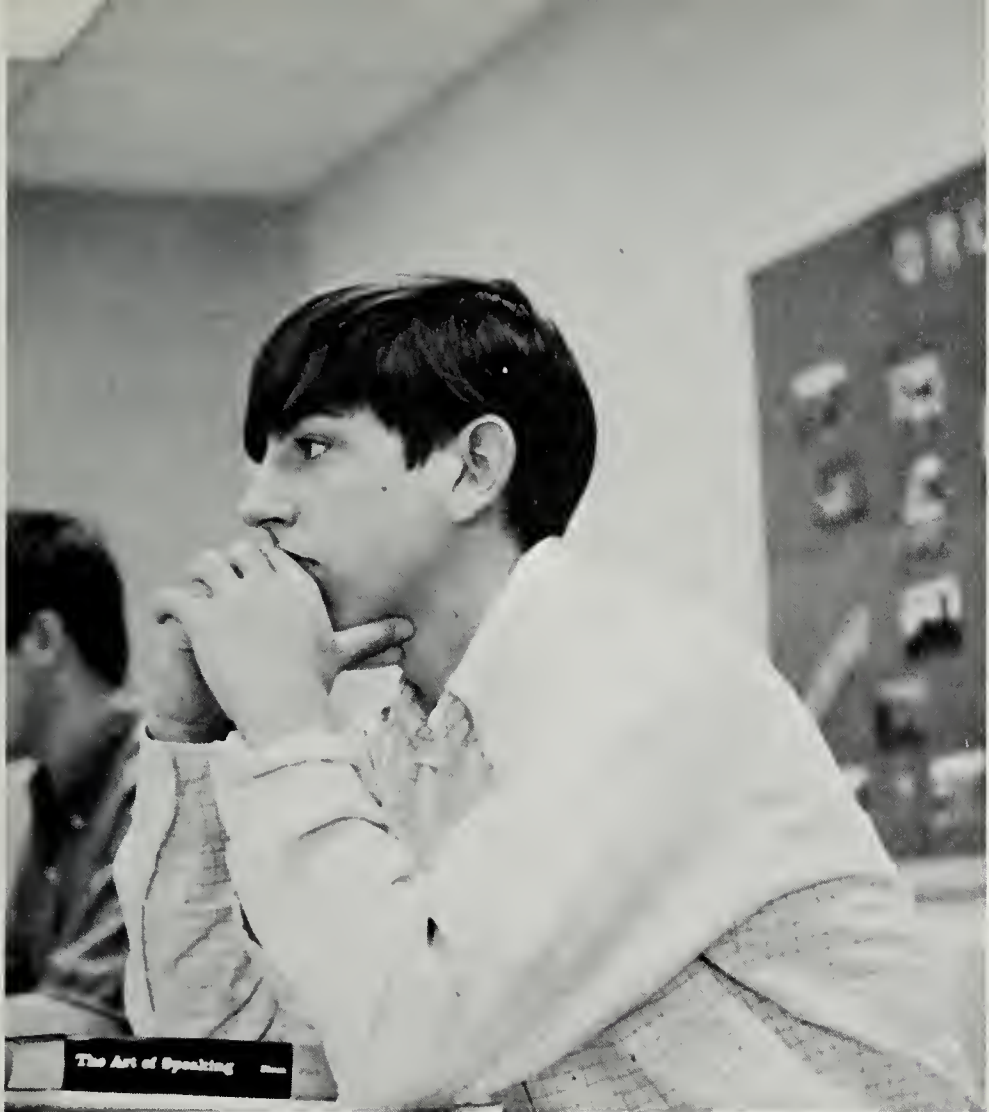

Come writers and critics
 Who prophecies with your pen
 And keep your eyes wide
 The chance won't come again
 And don't speak too soon
 For the wheel's still in spin
 And there's no telling who
 That it's namin' for the loser
 Now will be later to win
 For times are a' changin'!

Come senators, congressmen
Please heed the colt
Don't stand in the doorway
Don't block the hall
For he that gets hurt
Will be he who has stalled
There's a battle outside
And It's ragin'
It'll soon shake your windows
And rattle your wall
For the times are a' changin'!

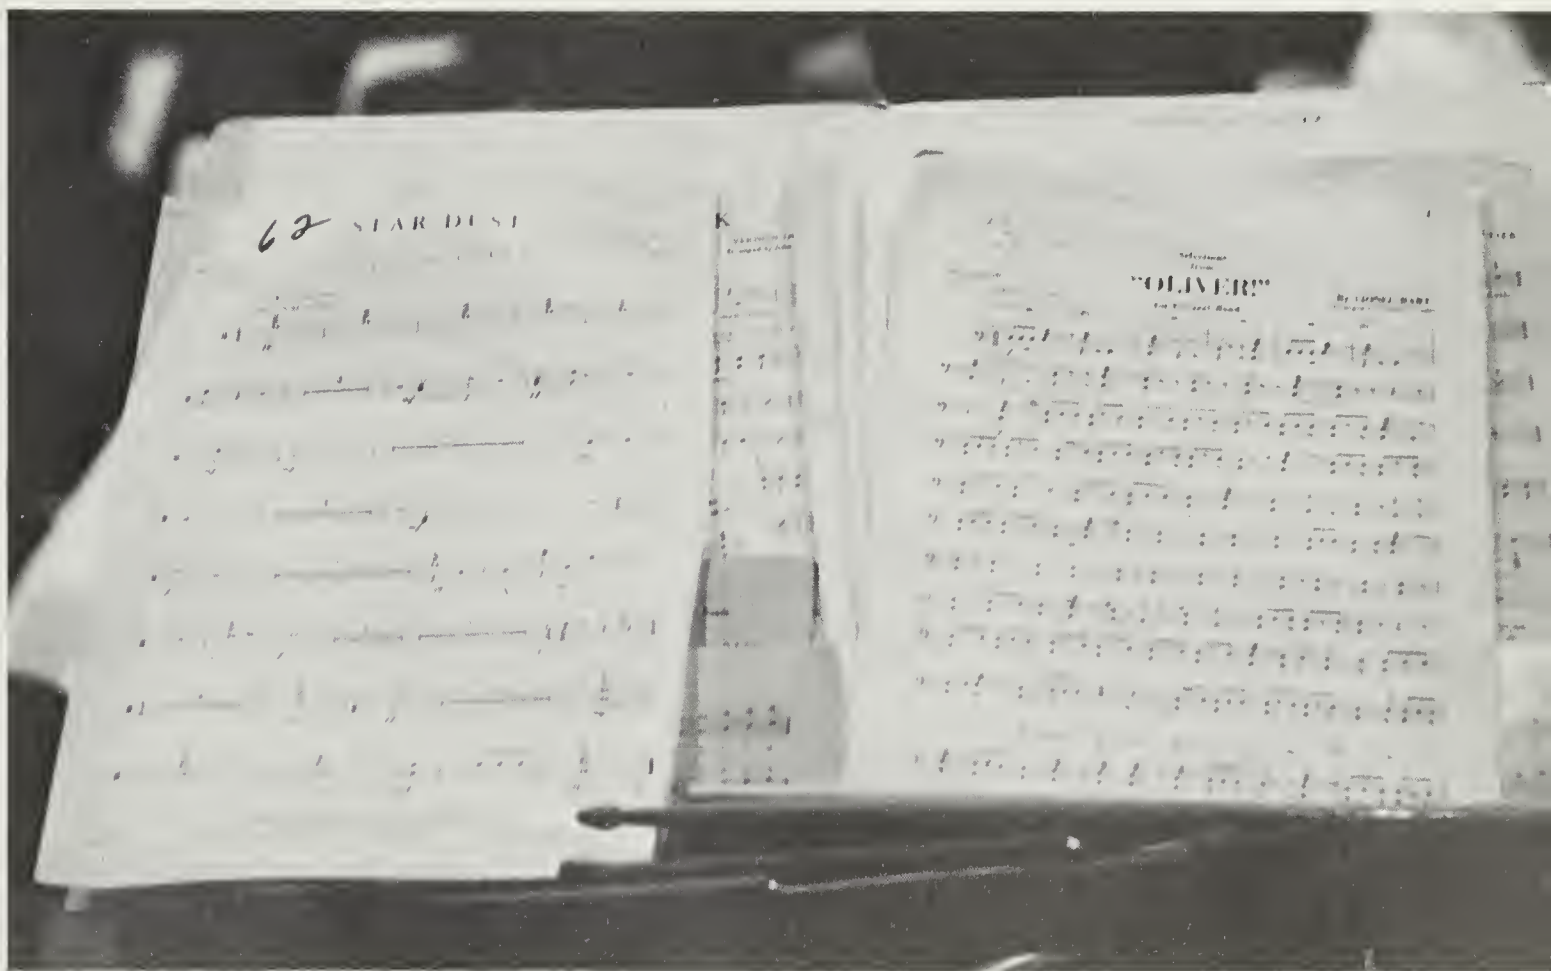

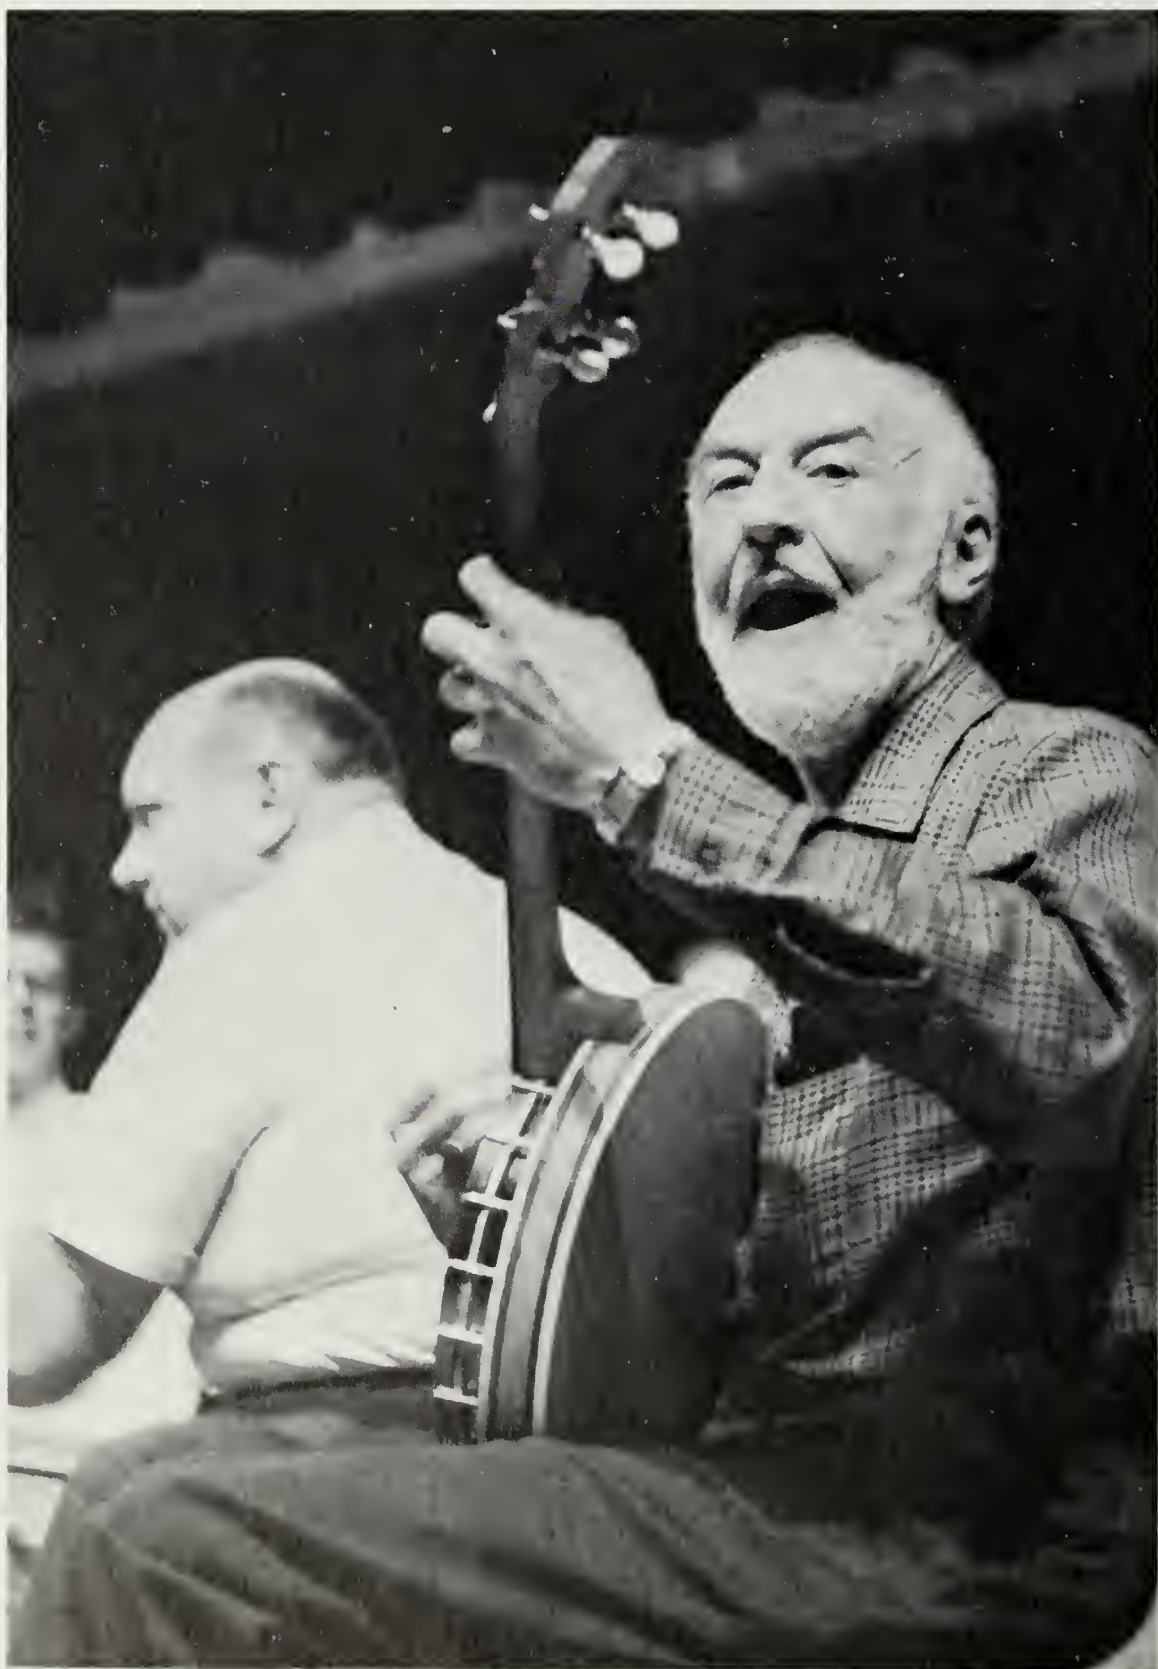

Come mothers and fathers
Throughout the land
And don't criticize
What you don't understand
Your sons and your daughters
Are beyond your command
Please get out of the way
If you can't lend your hand
For the times are a' changin.

Can you imagine us
 Years from today,
 Sharing a park bench quietly?
 How terribly strange
 To be seventy.
 Old friends,
 Memory brushes the same years.
 Silently sharing the same fear . . .

There's only One More Mountain,
just a piece of clay.
One more little hill to climb.
One more mound of earth,
standin' between us,
One more other side to find.
If we can get to the top,
don't you know we'll see
A valley down below.
We've got just One More Mountain,
standin' between us,
One more little hill to go.
One More Mountain,
One More Mountain to go.

VICE PRESIDENT JULIANN MILLER

SECRETARY KERRY McINNIS

PRESIDENT JOHN MASSA

TREASURER ADRIE SARDONIA

Yesterday, all my troubles seemed so far away
 Now it looks as though they're here to stay
 Oh, I believe in Yesterday.
 Suddenly, I'm not half the man I used to be
 There's a shadow hanging over me
 Oh Yesterday came suddenly.

Seasons change with scenery;
Weaving time in a tapestry.
Won't you stop and remember me
At any convenient time?
Funny how memory skips
Looking over manuscripts
Of unpublished rhyme.

Time it was,
 And what a time it was;
 It was ...
 A time of innocence,
 A time of confidences.
 Long ago ... it must be ...
 I have a photograph.
 Preserve your memories;
 They're all that's left you.

Moving lights, flashing signs,
Blinking faster than your mind,
Leading people with suggestions
Leaving no unanswered questions,
You can live without direction
And it don't have to be perfection.
Life is love, in a Neon Rainbow.

All the leaves are brown,
And the sky is gray.
I've been for a walk
On a winter's day.
I'd be safe and warm,
If I was in LA.
California Dreamin'
On such a winter's day.

Class Of '70 Originates Slave Day

Get your motor runnin'
Head out on the highway
Lookin' for adventure,
In whatever comes my way.

Yeah, I'm gonna make it happen,
Catch the world in a love embrace
Fire all of your guns at once and
Explode into space.

I like smoke and lightning,
Heavy metal thunder
Racing with the wind,
With the feeling that I'm free.

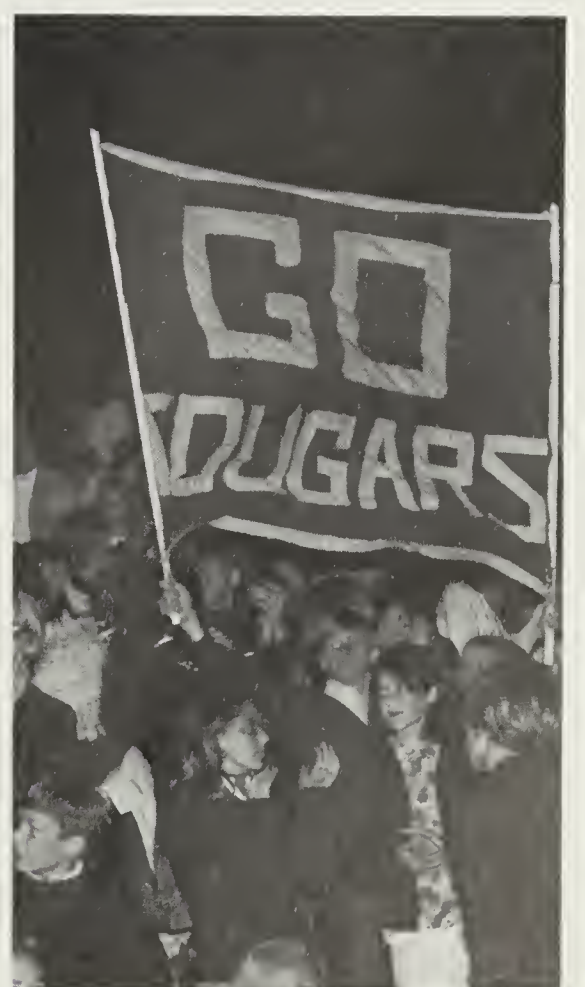

Like a true nature's child
We were born, born to be wild.

—Mars Bonfire

VICE PRESIDENT STEPHANIE SMYTH

SECRETARY DOBORAH ELDBRACHER

PRESIDENT O. V. HANGER

TREASURER STEVE MEACHAM

... the pattern of my life
And the puzzle that is me.
From the moment of my birth
To the instance of my death,
There are patterns that I must follow
Just as I must breathe each breath.
My life is made of patterns that can scarcely
be controlled.

Hang on to your hopes, my friend.
That's an easy thing to say,
But if your hopes should pass away
Simply pretend that you can build them again.
Look around,
The grass is high,
The fields are ripe,
It's the springtime of my life.

Time,
 Time,
 Time, see what's become of me
 While I looked around for my possibilities.
 I was so hard to please.
 Look around,
 Leaves are brown,
 And the sky is a hazy shade of winter.

The time it is today, and we must find our way
My heart it clearly states the answer's,
not in hate
I once believed that love was but a dream
But now I know that love's a flowing stream
They're lying, killing, they're pushing
they're rules
They tell me the prophets all were just fools
But I know different and I won't be used
It's they that are lost it's they are confused.

Time is tapping on my forehead,
Hanging from my mirror;
Rattling the tea cups,
And I wonder
How long can I delay?

While you're hung up—on yesterday,
you got nothing going today.
While you're hung up on tomorrow,
all the good now times are slippin' away.
Life is right now,
and if you take it,
your share will be the biggest amount.
There's only one way to make it,
that's Makin' Every Minute Count.

VICE PRESIDENT SARAH BERGA

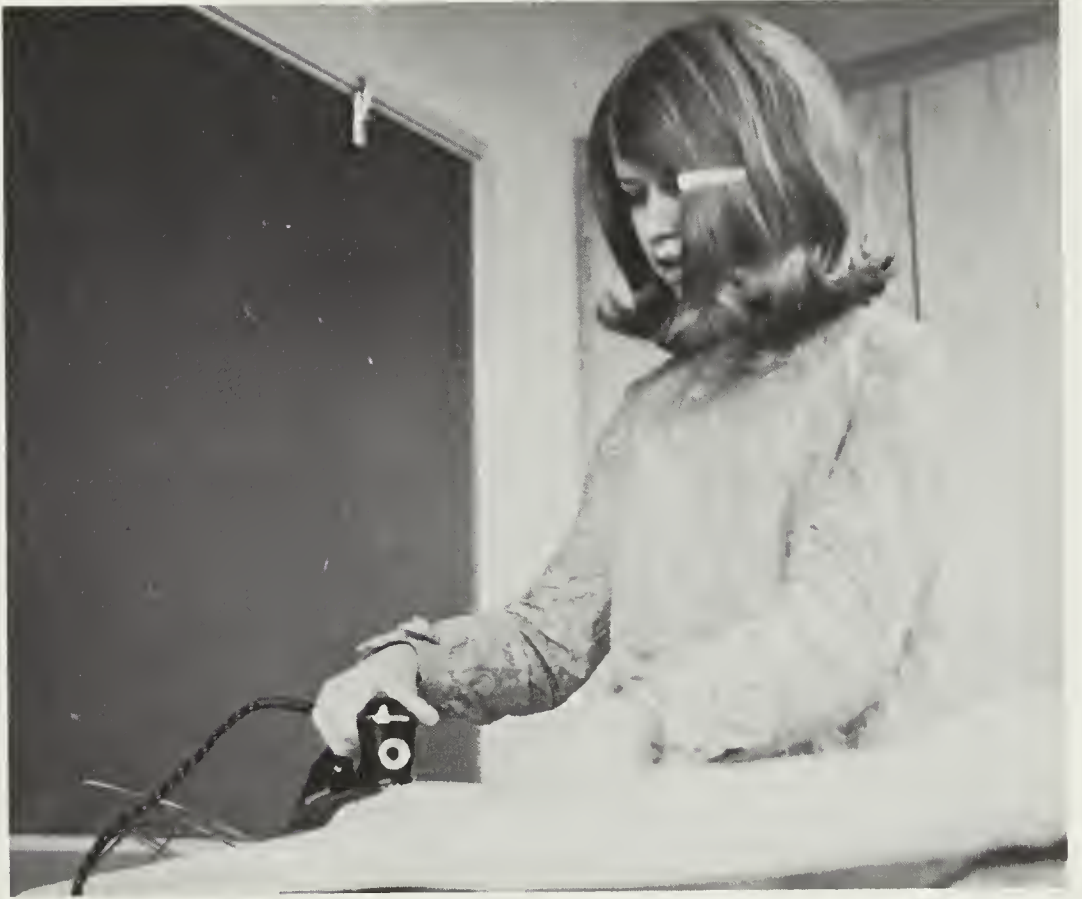

PRESIDENT SCOTT OLSON

SECRETARY JAMIE MacKERCHER

TREASURER MONICA DIETZE

There's a new sun risin' up angry in the sky
And there's a new voice cryin' we're not afraid to die
Let the old world make believe it's

Blind and deaf and dumb
But nothing can change the shape of things to come.

There are changes lyin' ahead on every road
And there are new thoughts ready and waitin' to explode
When tomorrow is today the bells may toll for some
But nothin' can change the shape of things to come.

The future's comin' in now sweet and strong
 Ain't no one gonna hold it back for long
 There are young dreams crowdin' out old realities
 There's revolution sweepin' in like a fresh
 new breeze,
 Let the old world make believe
 It's blind and deaf and dumb
 But nothin' can change the shape of things to come.

You say you want a Revolution, well you know,
We all want to change the world.
You tell me that it's evolution,
Well you know, we all want to change the world.
But when you talk about destruction,
Don't you know that you can count me out.
Don't you know it's gonna be alright.
You say you got a real solution, well you know,
We'd love to see the plan.
You ask me for a contribution, well you know,
We're doing what we can.

All across the nation, such a strong vibration,
People in motion, there's a whole generation
With a new explanation, people in motion.

Injuries Mount Up!

Although the team was faced with the handicap of playing a tough first year varsity schedule, it fared well and proved to be stiff opposition for other teams in the district. The many injuries of the team were evidence that they put up a good fight in each game throughout the year. Serving as Co-Captains were seniors Greg Hartnett and David Burke. Next year, returning lettermen will be a great asset to a winning team.

Dave Burke's second effort gains a first down for Oakton against the Woodson Cavaliers.

J.V. Start Season Slow

Junior Varsity, starting with a slow season, came back to win three games in a row for a 3-4-1 season. Being a J.V. team, the spirit was high at the prospect of participating in varsity sports next year. As the varsity team gains the able players of the J.V. team, the outlook for a winning season is great.

Frosh Produce Winning Team

This year the Freshman Football Team gained valuable experience and skills which will add up to a successful J.V. season in '69. Losing only two games by a slight margin, the Frosh team is a team we can take pride in. The Cougar Cubs had a 4-2 record to end the season.

Cagers Suffer From Lack Of Height

Harry Lloyd adds another two points to the score.

Even though new players were added to the Varsity team, lack of height remained a problem for Coach Crupper. Coach Crupper's fine coaching ability revealed new talent from his Cagers and enabled them to play a more unified game. Ending a dismal season of a 2-8 district record, the players kept their spirit alive throughout the season. Consistently high scorers were newcomer John Vavrick and returning letterman John McLaughlin. Regretfully, Jim Parker, hospitalized by a football injury, and Harry Lloyd, injured early in the season, were unable to complete the season. Varsity captains were Jim Parker and Alan Dunn.

Student Government

Last summer the Student Government officers interviewed many students interested in being a cabinet member; finally five directors and assistants were selected. Cougar Week, the Welfare Drive, the Sweetheart Dance, and a faculty tea were among the activities planned, sponsored, and presented by SG. An effective mailing system was established which allowed representatives to pick up mail for their homerooms. This past year the SG Constitution was amended to give representatives a vote at meetings. In mid-February the **GREEN SHEET** was established to publish articles by and for Oakton High School students.

PEACE CORPS CLUB

"Buy a brick to build a school" was the theme of a Peace Corps sponsored fund raising drive. In January the Computer Dance added to the \$700 treasury. Proudly, the club boasted of donating \$500 to the Peace Corps School Partnership Program: a school is being built in the village of Hesahpur in India as a result of the contribution.

Science Club

The Oakton Science Club, consisting of thirty members, held its meetings alternately at the planetarium and room 120. The Astronomy Club, a part of the Science Club, was under the direction of Mr. Thomas Ferguson who conducted classes, discussions, and star observations. The major events and special activities of the club included a field trip to Goddard Space Flight Center and guest lectures on fuel cells and the laser. It is interesting to note that seven of the top ten students of the senior class were Science Club members.

Pep Club

In an effort to spread and promote spirit in the student body of Oakton High School the Pep Club supported Oakton athletics during the first varsity year. Majorettes

The Cougarette Majorettes have contributed greatly to the school spirit which has grown in the second year of the life of Oakton High School. One recognized the majorettes in the halls before the home games by their spirited enthusiasm, familiar uniforms, and gold mum corsages. During Cougar Week they performed their Mexican speciality routine to the marching band's version of the Tijuana Brass. It was a privilege and an honor for the Cougarettes to have been featured in the Inauguration Parade. There could have been no better way to end the season than by representing their school, county, and state in the nation's capitol.

Drill Team

The Oakton Drill Team made their fall debut by performing at all the home varsity football games. They did marching and drill routines with the band to such popular songs as "Going Out of My Head," "I Enjoy Being A Girl," as well as to the school fight song. The forty member group added flashes of color to the half-time shows with their gold and white pom poms and burgundy corduroy uniforms. After the football season closed the Drill Team continued to perform at the home basketball games with dance routines appropriate to the indoor settings.

Freshman Cheerleaders

Like the Varsity and Junior Varsity Cheerleaders, the Freshman Cheerleaders supported the Oakton High School athletic teams and promoted school spirit. However, their main efforts involved the freshman class: the cheerleaders promoted spirit within those teams and unified their class as a whole. this exemplified their idea of
sportsmanship.

In the battle that goes through
life

We ask for a field that is fair,
A chance that is equal in all our
stride,

The courage to do and dare.

And if we should win—let it be
our code

With faith and honor held high.

And if we lose—let us stand by
the road

And cheer as the winners go by.

So grant us to conquer, if con-

And not like the heathens, we

The Oakton Club served its school in many ways during 1968-1969. Besides co-sponsoring the Sadie Hawkins Dance and Safety Week, the Oakton Club boys ushered at all musical events and operated the school elevator for the physically handicapped. The muchly needed auxiliary book store was opened giving students a chance to buy supplies before school as well as during all three lunch shifts.

Under the guidance of the sponsor and the editor, Mr. Ray Wilkins and Kathy Hughes, the PARAGON staff endeavored to create a pictorial record of Oakton High's memories during 1968-1969. While each member of the staff was assigned and responsible for a specific aspect or section of the book, the entire staff worked as one body to produce a unique, unified yearbook.

The **OPUS** staff began the year by obtaining and furnishing their own workroom. Given the same amount of money as last year, the staff was still able to produce two twenty-page issues, one in February and one in May. The response for material was answered many times over the staff's hopes. The staff anticipated that Oakton students will continue to support the magazine and use this publication as an outlet to express their creative interests and talents.

Activities

Cougar Week

Cougar Week exemplified the spirit of the students of Oakton High, starting with Freshman Day on Tuesday and ending with Senior Day on Friday. During seventh period on Friday there was a pep rally in which the Soul Cheerleaders were introduced. The classes competed by constructing floats for the halftime of the game with Langley. The Juniors' float won. The Cougars defeated the Saxons by one point to end the week victoriously. The finale of Cougar Week was a dance featuring the music of the Shot.

Faculty Follies

One, two, three, kick.

The AFS-International Relations Club sponsored the first Faculty Follies. The purpose was to raise funds for a foreign exchange student. This activity was the most successful of the year. Every seat in the auditorium was filled. One of the highlights of the evening was the marriage of Miss Trixie Petite. At the end of the performance there was a Shadey's Sing Along for the audience to participate in. The Show was followed by a soc-hop in the lobby.

This trio of Mr. McCormick, Mr. Moulton, and Mr. Watts sang "A Little Green Frog" was the only act to receive an encore!?!

Students ponder over the identity of Miss Petite who Mr. Thompson escorted down the aisle.

Mr. Sommer, a friend of the family, had a good time at the wedding.

Mother of the Bride, alias Mrs. Patton.

"Al Jolson" Sacks bellows "Mammy" to an attentive audience.

To add to the enchantment of the Christmas and Sweetheart dances courts were chosen for each occasion. The Christmas court was made up of girls from the Junior and Senior classes. The qualifications were loyalty to their class, personality, and beauty. Diane Wedow was elected Queen. The Sweetheart court represented every class. There were four seniors, two juniors, one sophomore, and one freshman. Gail Hill was elected the Queen.

Student-Faculty Game

This year's students really were out to smash the faculty in the second Student-Faculty game. At 6:30 the night started off with the Junior-Senior girls vs. the women faculty. At the finish of that game the men faculty fought the Junior-Senior boys in a closely fought battle. The students team lost by only 3 points. A group of seventeen girls made up the Junior-Senior cheerleaders.
